Topic: Responsibilities III: Seeking Wise

Counsel

I) Opening Prayer

II) Opening Discussion: Today, we are talking about “wise counsel”. What does this mean to you? Have you ever not sought advice for a problem, question, want, or something else that you didn’t have an answer for? If so, what happened here; on the times when you asked for help; what happened? Chances are better of getting the help that we need if we ask, however there are some situations where bad advice can be given too and trouble still happen. This is

not the focus of today; instead it is about the lack of asking and trouble that comes with this. In this lesson, I am going to show a couple of cartoon shorts and a clip. After each of these there will be a little Bible Study. In this case, each little study will consist of perhaps even only a couple of verses. We will discuss how to help each of our main characters out.

III) Cartoon Short # 1: **Brainy Smurf,  
Friend To All The Animals**

## IV) Bible Study # 1 And Discussion #1:

Proverbs 10: 8; 12: 15; 12: 18; 18: 2, 13

### The Bible States:

Pr 10:8 The wise in heart accept commands,  
but a chattering fool comes to ruin.

Pr 12:15 The way of a fool seems right to him,  
but a wise man listens to advice.

Pr 12:18 Reckless words pierce like a sword,  
but the tongue of the wise brings healing.

Pr 18:2 A fool finds no pleasure in  
understanding  
but delights in airing his own opinions.

Pr 18:13 He who answers before listening—  
that is his folly and his shame.

What do you think of Brainy here? Why do you think that Brainy didn't ask Natural for help? Is asking for help the only thing that Brainy could have done?

V) Cartoon Show # 2: **Green Thumbs Down**

VI) Bible Study # 2 And Discussion # 2:

Proverbs 13: 15-16

**The Bible States:**

Pr 13:15 **Good understanding wins favor, but the way of the unfaithful is hard.**

Pr 13:16 Every prudent man acts out of knowledge,  
but a fool exposes his folly.

What could Jon have done to perhaps make his garden better or more successful? I wouldn't want to pay \$200 a lettuce leaf or \$300 dollars a radish, would you? What things could Jon use to research gardening instead of exposing his folly?

VII) Cartoon Clip: **Davis Cries Wolfmon**

VIII) Bible Study III And Discussion III:

The Bible States:

Pr 11:2 When pride comes, then comes  
disgrace,  
but with humility comes wisdom.

Pr 12:23 A prudent man keeps his knowledge  
to himself,  
but the heart of fools blurts out folly.

Pr 14:7 Stay away from a foolish man,  
for you will not find knowledge on his lips.

Pr 14:8 The wisdom of the prudent is to give  
thought to their ways,  
but the folly of fools is deception.

Why do you think Yolie did what she did?

Can you help poor Yolie? What could she have done to not have this disaster happen?

What would you do if you had this happen in your classroom?

**IX) Conclusions:** What have we learned?

How can we apply this knowledge and wisdom to our lives?

As we have seen, seeking wise counsel is a very good thing. If we should know better than to try something that we know little to nothing about we should ask questions to a person of that kind of knowledge. This is one of the wisest moves a person can do. I am going to leave you with yet another Bible quote that I want you to think about until next we meet.

The Bible States:

Pr 15:22 Plans fail for lack of counsel,  
but with many advisers they succeed.
