Homosexuality (Sodomy—A very deadly sin because of the nature of the sin)

Why does God condemn homosexuality? Read this and find out.

If you would, read your Bible in Genesis 18:20-Genesis chapter 19. This is the account of Sodom and Gomorrah. This city was full of men who liked men and practiced this lifestyle. The city was destroyed because of its nastiness. Levitical laws forbid a relationship as this. Read Leviticus 18: 22. Now interestingly enough the punishment for this was stated to be death in Leviticus 19: 13 (looks like by stoning or the sword). New Testament states that this sin is still a sin, but with the sacrifice at Calvary, just true repentance is necessary and sin no more. One can and will still spiritually die with this sin if God doesn't take it away.

Read Judges 19 (whole chapter) for another account.

Read Romans 1: 18-32 (only part of this is on homosexuality). The culture of the day was being riddled with lust and idolatry. God gave them over to their desires because they didn't listen to him. This is a strong warning.

I Corinthians 6: 12 is about sexual immorality I Timothy 1: 8-11 is on sin and law. I Corinthians 6: 9-10 says it best. Please read it if anything else.

Homosexuality translates to today's word Sodomy. It is anal or oral sex between like gender (male to male, female to female, or by opposite gender. Even rightly married couples shouldn't practice Sodomy for it is a sin. The lifestyle of this sin is horrible and detestable to God. Please Pray hard and fast about what you are getting into if you are heading that way. Don't succumb to the devil. Even your thoughts on the subject if you are desiring this stuff is a sin to the Lord God Almighty because it is just as bad as the real thing to Him.

In conclusion, read Romans 6. This sums up what our bodies are meant for.

Please read this and be glad you found this compilation. If you are involved in this lifestyle, desire, or both; pray hard and seek help. It is better to be tormented by this

desire and ask God for help than to succumb to it and miss Heaven. God will deliver you if you have faith in Him and are persistent.
